**Code for GovTech 2023**
Samagra Governance**Hi Nishant Singh,**

Thank you for registering to **Code for GovTech (C4GT) 2023**. Have you started writing your proposal yet?

If not, submit your proposals before 11th June! You stand a chance to get:

- Opportunities to work on exciting population **scale-impactful** coding projects
- **1:1 Mentorship** from industry practitioners
- A **stipend of 1 Lakh** & the opportunity to get a **PPO & PPI**

Steps to apply:

- Explore 100+ projects on the [C4GT GitHub Wiki](#)
- Join the 6000+ [C4GT discord](#) community and interact with mentors
- Create a proposal for the project of your choice. Check out the [brief](#) here!

Want to hear from past mentors & contributors?

- Check out this [informative post](#) by a past contributor to know about C4GT
- Listen to mentors from 2022 talk about their experience of the program [here](#).

In case of any further questions, please drop them in the discussions panel on the competition page.

Time's running out, as the submission deadline is **Sunday, 11th June 2023**. All the best!

Regards,
Team C4GT
